

Report on actions taken following the IQAC meeting with external members held on June 20, 2022

From July 2022 to September 2023

- 2022-23 Academic Calendar: Created and successfully uploaded.
- Regarding the website, various subcommittees have been established within the technical committee to enhance and update our site
- We have identified best practices in the areas of providing free education to underprivileged children, fostering collaborative learning, and conducting online self-assessment for the teaching staff
- The Teachers' Council has established a fund for extension activities based on the IQAC's recommendation, even though the school has not been set up yet.
- In relation to the green audit, we have already established an MOU for the management of e-waste.
- We submitted AQAR, NIRF, and AISHE reports punctually for the academic year 2021-22
- We have conducted and analyzed the Student Satisfaction Survey.
