

Activity Report

Title of the Event: Empowering Educators with No-Code AI

Resource Person: Mr. Soumojit Das, Managing Director, InTime and AiForEveryone

Topic/Theme of the Event: Introduction to Artificial Intelligence Tools for Educators – A Hands-on Training on No-Code AI Platforms

Organized by: Career Counselling and Placement Cell in Association with IQAC, Heramba Chandra College

Convenor/Coordinator of the Program: Dr. Bodhisattwa Bardhan Choudhury, Convenor, Career Counselling and Placement Cell of Heramba Chandra College

Number of Participants/Beneficiaries: 48 staff members (as per the attendance sheet)

Event Description:

Date: 18-07-2025

Time: 1:00 PM onwards

Place: Heramba Chandra College Campus

Duration: 4 hours

Brief Summary:

The workshop titled “Empowering Educators with No-Code AI” was organized on 18th July 2025 by the Internal Quality Assurance Cell (IQAC) of Heramba Chandra College. The session was facilitated by Mr. Soumojit Das, Managing Director of InTime and AiForEveryone.

The objective of the event was to make college educators familiar with emerging AI tools that require no programming knowledge, enabling them to use Artificial Intelligence meaningfully in their teaching, administration, and research.

The session began with an introduction by Prof. Sumit Naskar regarding relevance of the session followed by Principal Madam small speech on the topic.

The session began with an introduction to the possibilities of no-code AI. Mr. Das

demonstrated several tools in real-time, showing how educators can:

- Automate repetitive academic tasks
- Enhance student engagement through intelligent tools
- Analyze data and feedback with minimal technical expertise

There was significant hands-on interaction where participants followed the facilitator on their own systems. Educators were enthusiastic and asked insightful questions regarding integration of these tools into classroom practice. Mr. Das also addressed ethical considerations and emphasized AI as an enabler, not a replacement.

The event was not only informative but also highly engaging. The facilitator's clarity and enthusiasm ensured active participation throughout.

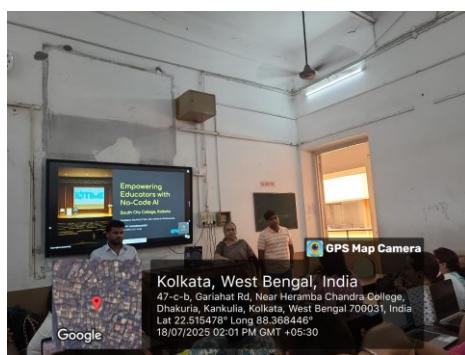

The session concluded with a formal vote of thanks delivered by Dr. Lopamudra Basu, IQAC Coordinator, who appreciated the facilitator and acknowledged the enthusiastic participation of the attendees.

Outcome of the Event:

- Participants gained hands-on experience in using no-code AI tools.
- Faculty expressed interest in exploring AI further for curriculum development and academic research.
- Enhanced awareness about responsible and effective AI integration in education.
- Positive verbal feedback was received; many expressed interest in follow-up workshops for deeper skill-building.

Future sessions are being considered based on this overwhelming response.
