## **About Ramdhanu:**

Ramdhanu, an extension initiative conceptualized by the IQAC, Heramba Chandra College in the academic session 2021-22 is set to be launched in 2022-23, aims to brighten the lives of underprivileged children through the transformative power of education. Under the umbrella of Ramdhanu, the college plans to offer various free short-term courses annually, providing an invaluable opportunity for the deprived to access education. The initiative recognizes the importance of our college student-instructors and has committed to offering them a minimal remuneration for each class, ensuring a fair and sustainable partnership. Another distinctive feature of Ramdhanu is its commitment to not only intellectual but also physical nourishment. The participating children will be provided with a free meal, emphasizing the understanding that a well-fed mind goes hand-in-hand with academic growth. This community-driven effort represents a significant step towards contributing to the holistic development of the nearby community.

Financial sustainability is a key aspect of this initiative, and the college has devised a thoughtful plan. The expenses incurred in running Ramdhanu will be shared equally between the Teachers' Council fund and the college, where operational expenses will be determined based on the amount shared by the Teachers' Council. This collaborative approach ensures a responsible allocation of resources, fostering a sense of shared responsibility among the faculty and the institution. Moreover, recognizing the magnitude of its ambitions, Ramdhanu is actively seeking collaboration with government bodies and corporate entities to secure additional financial assistance. This holistic approach demonstrates the college's commitment to maximizing support and resources, ensuring the sustained impact and growth of Ramdhanu for the betterment of the less fortunate children it aims to serve.

Ramdhanu is more than just an extension initiative; it is a manifestation of Heramba Chandra College's commitment to social responsibility and inclusivity. By actively engaging with the community and addressing the educational and social needs of less fortunate children, the college is not only imparting knowledge but also creating a positive impact on society. As we look ahead, the college's dedication persists, striving to expand the impact of Ramdhanu and make quality education universally accessible. Together, we illuminate paths, inspire minds, and champion education as a transformative force, fostering a brighter and more equitable future for all.

External members of the IQAC extend their commitment beyond internal oversight, pledging to facilitate corporate support to make this successful.
