The objective was to equip educators, administrators, and students with the knowledge and tools necessary for the successful implementation of NEP 2020, ensuring a more inclusive and quality-driven educational landscape.

## Activity Report:

A Seminar on the National Education Policy 2020 was conducted with the primary aim of disseminating information and fostering discussions about the recently implemented policy in Higher Education as per NEP 2020. The seminar brought together educators, policymakers, and stakeholders to delve into the key components of the policy and explore its implications for the education system. The event also served as a platform for dialogue and shared understanding about the effective implementation of the National Education Policy 2020, particularly in the context of West Bengal. The seminar commenced with a comprehensive presentation outlining the key components of the National Education Policy 2020. Participants gained insights into the policy's objectives, structural changes, and the envisioned transformation in the education landscape. The event successfully brought together a diverse group of stakeholders, including educators, policymakers, and administrators, creating an environment conducive to meaningful discussions and collaborative planning. Presentations and panel discussions explored the implications of NEP 2020 for the education system. The seminar facilitated an open dialogue about the challenges and opportunities associated with the policy's implementation. The seminar concluded with a renewed commitment from all participants to actively contribute to the effective implementation of NEP 2020. The shared vision was to align educational practices with the policy's objectives for holistic development. The seminar was attended by more than 350 participants, including Principals and teachers from various colleges. The active engagement of the participants led to a dynamic exchange of ideas, experiences, and concerns related to the implementation of NEP in West Bengal. Many participants actively raised questions about the infrastructure challenges in West Bengal for the successful implementation of NEP.

These concerns sparked valuable discussions on practical strategies to address infrastructure gaps and ensure a smooth transition. The Seminar on National Education Policy 2020 served as a crucial platform for disseminating information, fostering discussions, and building a collective commitment to the effective implementation of the policy. The active participation of more than 350 stakeholders, including Principals and teachers, reflects the significance of such dialogues in shaping the future of education in West Bengal. We extend our gratitude to all the participants, speakers, and organizers for their enthusiastic involvement and commitment to the cause of educational transformation.

## Outcome:

The seminar successfully provided participants with a thorough understanding of the National Education Policy 2020 and its implications for educational infrastructure and curriculum. Attendees gained valuable insights into the practical aspects of implementing the new policy, thanks to the expert presentations and discussions led by the resource persons. The event fostered a collaborative atmosphere, encouraging educators and administrators to share ideas and strategies for adapting to the NEP 2020. Overall, the seminar enhanced the participants' preparedness to navigate the changes brought about by the new education policy, contributing to the future readiness of their respective institutions.
