

Field Trip 2023

Place: Chandipur, Odisha

Date: 20.03.2023 to
24.03.2023

Number of Participants: 13

Outcome

The students of the Department of Geography, Heramba Chandra College visited Chandipur, Odisha in March 2023 for their field study. The main objective was to study the physio-cultural scenario of sea-based study area. They conducted different surveys on households, market, hotel and traffic flow etc. The students collected soil samples. They also did trigonometric survey, GPS survey and land use survey.
